

PUBLIC DOMAIN IMAGE LIBRARY

publicdomainimagelibrary.com

About the images in our collections

The pictures in our collections are out of copyright in the UK, most of Europe, Australia, the United States and all countries that follow the lifetime plus 70 years rule.

You can read a comprehensive article about the rules governing copyright on our website at publicdomainimagelibrary.com/copyright

Unlocking Creativity: Using Public Domain Art to Create Saleable Products

Public domain art images offer an incredible resource for creatives looking to produce unique and sellable products. These images, free from copyright restrictions, span a vast array of styles, periods and cultures, providing endless possibilities for innovation. For some inspiration to help you use public domain art to produce and market products successfully, take a look at publicdomainimagelibrary.com/inspiration
